

Roller Plus Joytick

Last modification: 05/01/2009
Author: Lalande Ange-David, Defitech
Approximate price: 450€
Type: Material

PC and Macintosh compatible (Win 98SE, me, 2000, XP).

Comfortable joystick of 3 ". The mouse cursor remains in position when the joystick is free. All functions (click, double-click, button in a hurry/raised, speed, blocking of vertical/horizontal displacement) are accessible with joystick's buttons or, if an interface is added, with contactors. It has fingers guide easily dismountable.
